We may not have power on Sunday the 21st, but we are gathering together anyway! We will run a couple generators for lights and heat for this family style service. It has been a chaotic season, but there are already amazing testimonies of God's protection, provision, and even healing. Join us for worship, fellowship, and some water-bottle hot coco.

Thank you for praying with us this year, as we are believing for God to work powerfully in and through His church.

ANNUAL BUSINESS MEETING

➤➤➤ FEBRUARY 25TH FOLLOWING 2ND SERVICE

It is time for our annual membership meeting. We will have a 2023 financial report as well as a report from each department, and we will share vision for the year ahead. This is a voting year, and we will be voting on a couple items;

-We will vote on some bylaw updates regarding board members.

-We will vote on the Lead Pastor. This is not an election with candidates, but is a form of accountability for the leadership and an opportunity for the membership to have a voice in their leadership (this is a good thing). If you have questions please email Pastor Justin justin@waypointinfo.org

-An active members list will be posted next to the Waypoint Cafe and nursery doors in the main building. If you have a question about membership, or your status as a member... please contact Pastor Justin

-To become a member: attend Growth Track, and talk to one of our pastors.

➤➤➤ PRAYER REQUESTS

We have a team of people that would love to pray for you and your requests. We believe that God still answers prayer, and we have seen God do some amazing things through our prayer team. If you would like to join, email Pastor Mandy mandy@waypointinfo.org

If you need prayer, please email us at prayer@waypointinfo.org
